MISSION AND VISION

The Helsinki Committee for Human Rights of the Republic of Macedonia is a civic association registered in 1994. The bodies governing the Helsinki Committee are:

- ▶ the Assembly,
- ▶ the Executive Board,
- ▶ the President,
- ▶ the Supervisory Board and
- ▶ the Executive Office.

The Committee monitors the situation with human rights, provides legal assistance, co-operates with other organizations and state bodies for the purpose of improving the promotion, respect and protection of human rights and freedoms.

The Committee's goal is protection and promotion of the human rights and freedoms guaranteed with the Constitution of the Republic of Macedonia, the international instruments and the Helsinki Final Act from 1975, as well as building democratic conditions in which they can be exercised based on the rule of law.

The Committee sets off from the premise that all people should have the possibility to enjoy and practice their basic rights and freedoms and should be able to protect them in case of violation or limitation. This is the basis of the rule of law, human rights and democracy.

ACTIVITIES

In its persistent efforts to promote and protect human rights and harmonize the domestic legislation and practice with that of the European Union, the Helsinki Committee:

- ▶ Organizes systemic monitoring of the situation of human rights in the country;
- ▶ Provides free legal assistance and protects the individual, collective and rights of other legal entities on the territory of the Republic of Macedonia and before international organizations;
- ▶ Prepares monthly, annual and special reports on the situation of human rights;
- ▶ Prepares analyses and other specific documents related to the situation of human rights;
- ▶ Organizes conferences, seminars, panels, public actions and other legal forms of civic engagement;
- ▶ Promotes and aids the development of democracy, rule of law and civic society; and
- ▶ Performs other activities of public interest pursuant to the Law on Citizens' Associations.
